

Peer Ministry Team Covenant

To the best of my abilities, as a Peer Minister, I promise to:

...be a Christian example and witness to others in and outside of church including online communities.

...reach out and introduce myself to students new to the group and strive to break down walls that inhibit students from feeling welcome.

...attend one worship service weekly.

...attend at least one Bible study weekly (Gathering Midweek or Sunday Bible Class).

...have daily time in the Word and prayer.

...attend and participate in the GO Leadership Conference.

...follow through with assigned tasks and duties.

...commit to gathering once a week (one hour), outside of Wednesday night Bible study, with your fellow peer leadership team and the Director of Student Ministry. This must be a scheduling priority.

...submit to and offer Christian accountability to your fellow student leaders and the Director of Student Ministry.

...complete exercises related to what you learn in the peer leadership meetings (read one chapter from a book, read through a passage of scripture, practice prayer, etc...)
